

Dear Friends of the River,

Welcome to “Reflections on the River,” an exhibition of works by local artists responding to our own Hoosic River in paintings, prints, photographs, collages and sculpture. If you are interested in purchasing one of these works, you can find contact information for the artist on the list below. Works that are for sale have the price listed. Please contact the artist directly. Neither the library nor HooRWA will handle sales.

These artists vividly illustrate the beauty the Hoosic and remind us once again of how important it is to protect this waterway connecting communities in three states. If you want to be part of this effort, please become a member of the Hoosic River Watershed Association. You will find some membership information at the library, or you can go to HooRWA.org. Thanks.

--the HooRWA Board of Directors.
